

Consulting • Compliance • Training

Convergence Dynamic Solutions Group, LLC provides strategic consulting, contract compliance, and training services to commercial, not for profit and government organizations. Our Consulting can mobilize the right people, skills, and technologies to help organizations improve their performance and maintain contract or regulatory compliance.

As a Veteran-Owned Small Business, Convergence Dynamic Solutions Group is committed to excellence and creating innovative and flexible solutions for our State and Federal clients.

What sets CDSG apart from the competition?

- Extensive Experience in Contract Compliance
- Performance-Based Processes
- Integrated Solutions
- Relationship Management
- Strategic Mix of Technology and Business

CORE CAPABILITIES

Our technology experts and business professionals analyze research, design, and implement solutions in the areas of:

- Consulting
- Operational Audits and Performance Assessments
- Instructional Design/E-Learning/Instructor-led Training Services

Consulting

Our Consulting Services focus on integrated solutions designed to enhance the performance of your business. By incorporating industry best practices into your business processes and management strategies, we can help you stay ahead of the competition and better serve your customers. Our services include:

- Business Strategy & Planning Support
- Change Management & Facilitation Support
- Process Development and Assessment Services
- Security Assessment
- Statistical Analysis

Compliance

Our Compliance Services focus on the various types of compliance found in the business environment. Many clients want compliance audits/operational assessments to be conducted by themselves or by third party organizations, promoting transparency and accountability in business. Some of our services include:

- Contract Compliance Matrices/Review
- Operational Compliance Assessments/Audit
- Regulatory Compliance Audits/Reviews
- Act as Third-Party Auditors on behalf of clients and vendors

Training

Regardless of what your business is, you have some level of training that must be completed. In today's world, that also means utilizing technology as a means of training delivery. Convergence is committed to excellence in training and working with clients to produce robust training programs tailored to meet industry, company, or regulatory requirements. Some of our services include:

- Instructional Design
- Learning Management Systems
- Curriculum Development
- Comprehensive Training Programs
- Professional Development Programs
- Instructor-Led Training
